

InnoGrove Re-Opening May 26, 2020

We have all done excellent work in helping to reduce the spread of COVID-19. Thank you to all of the front-line workers who had to put themselves in harm's way through this!

As a result of our efforts, the spread of COVID-19 has been controlled and under Sacramento County regulations, we will be open for normal operations on Tuesday, May 26th.

As you can imagine, our normal operations will be different than in the pre-COVID-19 days. For example:

If you feel sick, please stay home! We still need to maintain our strength in combatting COVID-19,

Please ensure that you maintain an appropriate social distance from all others while you are at InnoGrove,

Please do your best to keep your area clean and clean up after yourself when you leave,

If the open co-working area is too crowded, we may need to restrict access to InnoGrove. We doubt this will be necessary but we still need to note it here,

At any time, if you have concerns about the situation at InnoGrove, please contact us ASAP.

Thank you very much and we look forward to seeing you soon!
